

StarFire Signal License Instrument

This License Instrument between NavCom Technology, Inc. of 20780 Madrona Avenue, Torrance, CA 90503 USA (“NavCom”) and _____ of _____

_____ (“User”) is entered into as of the Effective Date and applies to the use of navigation and positioning signals generated by the StarFire system. The terms and conditions of this License Instrument, taken together with the terms and conditions of the License document which are available for review at <http://eula.navcomtech.com/>, comprise the full and complete License Agreement between NavCom and the User. The StarFire signals may be used only under the terms and conditions of the License Agreement created by the execution of this License Instrument. By using the StarFire signals in any manner, You accept the terms and conditions of this License as documented in the License Agreement. “You”, “Your”, and “User” are used interchangeably throughout the License Agreement and refer to the individual who signs this License and to the company or organization that individual represents.

This License is entered into as of the earlier of the date of invoice and/or packing slip or the date of receipt of the unit (the Effective Date) and applies to the unit serial number set down on the invoice and/or packing slip from NavCom.
